ABOUT US

Samir Law Firm (the "Firm") was founded in 2006 by Dr. Mohamed Samir. Within a remarkably short period, the Firm gained an excellent reputation for its outstanding services to its initial clients and has gradually increased both its areas of practice and its highly experienced and dedicated staff.

The Firm offers a comprehensive range of legal services for a wide variety of domestic and international corporate and industrial clients.

THE FOUNDER

With over 25 years of practice and a proven track record of representing major corporate and solid winnings of international arbitrations inside and outside Egypt, Dr. Mohamed Samir's choice to study law was based on his passion to make a difference in the legal scene in Egypt. In 1992, he obtained a Bachelor of Law from the Faculty of Law, Cairo University. Four years later, He applied for his Master's Degree in International Business Law and received it from Cairo University In 1997, Shortly after that he finished his Diplome D'Etude Approfondie Degree in Contracts Business Law from the Faculty of Law at Montpellier University, In 2000, he was awarded a PhD from the same institution as a specialist in Major Industrial and Commercial Transactions. Dr. Samir has negotiated and drafted joint venture agreements and many other major transactions concluded in Egypt including the Jordanian Gas Transmission Pipelines and the distribution of Egyptian Natural Gas in Jordan.
